

POTPOURRI COMMITTEE EVENT – September 24, 2019 –
DOWNTON ABBEY – THE MOVIE

This week we kicked off our first Potpourri Committee event and what a grand time we had!

16 of us who signed up got together, carpoled to make sure all who wanted to could indeed join in, made our way to the AMC theatre in Westbury with its impressive wide screen, sank down in our comfortable prearranged seats, and for 2 hours immersed ourselves in all the little dramas and amusements in the lives of the Lords, Ladies and downstairs staff. All this in the backdrop and splendor of Downton Abbey. When it was too soon over, we seemed to emerge from the theater with slightly stilted British accents.

We then made our way to a wonderful restaurant "Season 52" where we continued our movie experience with a lively all-inclusive discussion about the colorful characters spectacular costumes and settings and the movie itself. At the same time we enjoyed a delicious meal, lovely wine and drinks and fabulous little dessert pies layered in multi-tiers of shot glasses — mm-mm-mm-mm-m!

Thank you to Diane Polland our Potpourri chair, Linda Akers and all the ladies who formed a car pool! What a wonderful effort put forth to make this event such a success!

I hope as many members as possible will partake in our next event if only for the bonhomie and closer connection we had to each other when we ended the evening!
