

Friday, October 29 - GAME DAY AT DOUGLASTON CLUB

On Friday, October 29th we had our first WCD Game Day in the Douglaston Club's Grill Room. Those who participated had a great time and were enthused about the program. Delicious lunch was served midway through. Clearly this was an opportunity to get to know members other than those we usually mingle with.

Bridge, and Scrabble were the dominant games. Very experienced players as well as those who needed instruction found their place in this friendly environment. A bit of Chinese Checkers and Black Jack was thrown in for variety in spare moments.

For those of you who wish to take advantage of this program as a purely social experience, do come and join us for just lunch at Game Day II on November 19th. You can arrive and leave as your own time permits.

The official schedule is meet, greet and organize at 11:30 am and then games will begin at noon and continue until 3:00 pm.
