

Thursday, October 21 - ANTIQUE TRIP TO CONNECTICUT.

October 21st was a beautiful weather day as 22 members made our way onto a luxurious bus and travelled to beautiful Stratford, Connecticut. We visited the Stratford Antique Center (*or as it is called The Big Blue Building*) We shopped; we perused; we purchased; we oohed and aahed at certain “antiques” - *which some younger people may not have any idea as to their purpose* - which was fun. We had a delightful repast at Outriggers Restaurant and a grand time was had by all.
